Elvin Dean Cromwell, 70, of Sour Lake, died Thursday, April 11, 2019, at Memorial Hermann Hospital, Houston. He was born on September 28, 1948, to Naomi Sylvest Cromwell and Hardy Elvin Cromwell, in Hattiesburg, Mississippi, and was a 1967 graduate of French High School in Beaumont. Dean was very instrumental in safety programs, including ISTC, in Southeast Texas during his career. He was a highly motivated professional manager with over 40 years of combined experience

and education in operations, safety, environmental, hygiene, emergency medicine and construction, with extensive knowledge in all phases of a plant operations and projects: including civil, structural, piping, mechanical, equipment instrumentation, electrical and startup. Dean was an avid sports fan, particularly any team his grandchildren played on. He was a devoted family man who cherished his grandchildren and enjoyed hunting, being outdoors, and was a Dallas Cowboys fan.

Survivors include his wife, Brenda Cromwell; mother, Naomi Cromwell; son, Brandon Dean Cromwell and daughter, Casey Burlison and her husband, Aaron, all of Sour Lake; sisters, Donna Burford and her husband, Mike, of Beaumont and Debbie Lopez of China; grandchildren, Kenzie Schroeder, Kyndall Schroeder, Kade Schroeder, Payton Burlison, and Olivia Burlison; and numerous nieces and nephews, friends and family, and many “adopted” grandkids.

He is preceded in death by his father, Hardy Elvin Cromwell.

His family would like to thank Memorial Hermann TIRR's Physicians and Therapists who worked with Mr. Cromwell for the past year.
