## I'm There Inside Your Heart

Right now I'm in a different place,  
And though we seem apart,  
I'm closer than I ever was...  
I'm here inside your heart.

I'm with you when you greet each day  
And while the sun shines bright,  
I'm there to share the sunsets, too...  
I'm with you every night.

I'm with you when the times are good  
To share a laugh or two,  
And if a tear should start to fall...  
I'll still be there for you.

And when that day arrives  
That we no longer are apart,  
I'll smile and hold you close to me...

Forever in my heart.

*When I come to the end of the day  
And the sun has set for me  
I want no rites in a gloom-filled room.  
Why cry for a soul set free?  
Miss me a little, but not too long  
And not with your head bowed low.  
Remember the love we once shared  
Miss me, but let me go.  
For this is a journey we all must take  
And each must go alone.  
It's all a part of the Maker's plan,  
A step on the road to home.  
When you are lonely and sick at heart  
Go to the friends we know  
And bury your sorrows  
In doing good deeds  
Miss me, but let me go.*
