Billie Bice

Billie Bice was born November 30, 1931 in Dayton, Texas. A veteran of the United States Air Force, he also graduated in 1958 from Lamar University with a degree in Geology. Billie retired after many years with Oryx Energy and has been a resident of Lafayette, Louisiana for 47 years. He enjoyed many hobbies in his life, loved the outdoors, fishing and deer hunting. He was a talented singer and a musician of both the trumpet and guitar. A barbecue connoisseur, he was well-known for his smoked turkey, chicken and ribs, something his family always looked forward to at

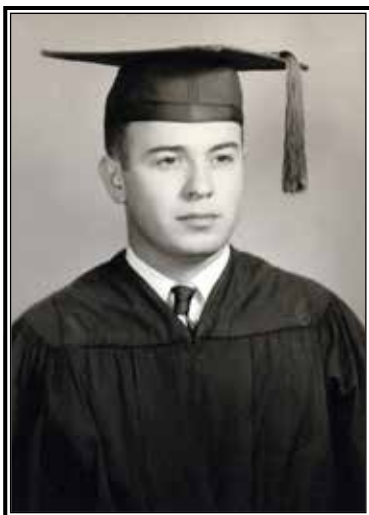

gatherings. Always involved in his children's activities, he was active as a coach in little league, as well as, football league. Billie's most precious times were those spent with the ones he loved the most, his children and his grandchildren. On Sunday, May 28, 2017, after battling pancreatic cancer for over four years, he went to be with his Lord and Savior. Billie will be dearly missed by all those that loved him.
