He was preceded in death by his parents.

Dear Grandpa - I already miss you so much.
But I know you're in a better place drinking
coffee and catching fish. You taught me how
to love someone unconditionally, saying
goodbye was hard, but living without
you will be harder. I love you pawpaw!
- Grace ♡ "your darling granddaughter"

God saw him getting tired,
and a cure was not to be
So He put His arms around him
and whispered,
“Come to Me.”

With tearful eyes
We watched him suffer, and
saw him slowly fade away.
Although we loved him dearly,
We could not make him stay.
A golden heart stopped beating,
Hard working hands put to rest,
God broke our hearts
to prove to us,
He only takes the best.

Love you always Pawpaw
Audriana, Brittany, and Catherine Hightower

Dad I love you with all of my heart.

We had great times together and I will never forget how sweet and loving you were and how you were always a hard worker. My dad always made sure he was there when we needed him the most and I'm thankful that I was given a strong and wonderful father.

-Donna Trahan, daughter

My favorite memory of my grandpa was laughing at his funny jokes and the tricks he played on others. Once he tricked me into believing I caught my first fish by sneaking a fish on the end of my rod and reel when I wasn't paying attention. Although, I didn't catch this fish I still count it as my first fish I've ever caught. The one thing that will always remind me of my loving grandpa campbell is the smell and taste of butterscotch candy.
