Trevor Lee Chesson, a name that will live in the hearts of many. A name at the tender age of ten passed into the loving arms of Angels. An avid fisherman, hunter, golfer, and a gift to so many. This little man may have done more in his ten short years than most men have done in a lifetime. With a competitive soul, a sturdy handshake for the biggest of men, always a hug for the lovely ladies, and heart as huge as his smile. This is our little man. With initials TLC, how could you not fall in love with his precious soul. Trev took full advantage of life and lived it to the fullest. Trevor's family, community, friends, and classmates were his world as were the outdoors. We will always love you Trevor Lee Chesson and will hold you forever in our hearts. God, hold Trevor in your loving arms until we can meet again. Love you son!

With thoughts and prayers of many, many more. This family says thank you for sharing yourselves with our little man.

Love you all!

*Shane & Aimee Chesson*
