**J**ames Clifton Copeland, 73, formerly of Winnie, died Friday, September 28, 2018. He was born on November 2, 1944, in Beaumont, to Frances Elaine Bond Copeland and Woodrow Clifton Copeland. James served in the United States Air Force, pastored for thirty-five years, and was serving as a Project Manager for Wybank Land Services.

James began preaching in 1971. The majority of his ministry was spent in Tyler, Texas and in Winnie, Texas. His ministry has changed

many lives. He was a man who practiced what he preached and lived his life as an example of what it meant to follow Jesus.

James was all about his family. He was a loving husband, father, but spent his last 28 years spoiling his grandkids and great-grandkids. Their passions became his passion, and he made it a priority to support them to the best of his ability.

Survivors include his wife, Molly Copeland of Bullard; son, Tray Copeland of Bullard; daughter, Trini Lezak and her husband, Michael, of Winnie; grandchildren, Justin Lezak and his wife, Hallee; Jarred Lezak and his girlfriend, Emma Austin; Gracie Copeland; and Audrey Copeland; great-grandchildren, Parker James Lezak and Asher Michael Lezak; and sisters, Dena Williams and her husband, Robert and Kay Lewis and her husband, Jay.

He was preceded in death by his parents; sister, Joyce Howell; and twin grandsons, Cody and Caleb Lezak.
