Kyle “Blake” Hanson, 63, of Beaumont passed away on Wednesday, January 30, 2019 at Baptist Hospital. He was born in Port Arthur, Texas on April 10, 1955 to Katherine Melba Chauvin and Elton Merle Hanson. Blake was a husband, father, son, brother, uncle, nephew, cousin and dear friend.

Early in his career, Blake was severely injured while working as a heavy equipment operator. Those injuries forced Blake to give up a career he truly enjoyed. But with his love of the outdoors and his passion for how to properly cut a lawn, he put his energy into establishing Blake’s Lawn Care. Because of his kindness and “Jack of all trades” attitude, he became a “honey doer” for many of his lawn care clients.

Blake was a kind and thoughtful person who always found a way to help others. He was a quiet man, but a loud character. He always had a good story and a wonderful sense of humor.

Blake is survived by his daughter, Amanda Hanson Francis and her husband, Andre Francis of Beaumont; his sister, Kay Simon and her husband, John Simon of Sun City, Arizona; his father-in-law, Jiles “Capt’n” Lindsey of Jasper, Texas; sisters-in-law Madeline McGallion, Houston, Texas; Melinda Stapleton and her husband, Clint Stapleton of Jasper, Texas; and numerous family members (aunts, uncle, nieces, nephews, cousins) and wonderful friends.

Blake is preceded in death by his wife, Karen Lindsey Hanson; his parents, Katherine Melba Chauvin and Elton Merle Hanson; his brother, Mark Allen Hanson and his beloved stepfather, Richard “Dad” Parmer.

As Blake wanted, his body was willed to The University of Texas Health Science Center in Houston in hopes he could continue to make a difference for others.

Our Father
which art in heaven,
Hallowed be thy name.
Thy kingdom come,
Thy will be done in earth,
as it is in heaven.
Give us this day our daily bread.
And forgive us our debts,
as we forgive our debtors.
And lead us not into temptation,
but deliver us from evil:
For thine is the kingdom,
and the power, and the glory, for ever.
Amen.

An Indian Legend Says:

“When a human dies there is a bridge they must cross to enter into Heaven. At the head of the bridge waits every animal that human encountered during their lifetime. The animals, based on what they know of this person decide which humans may cross the bridge..... And which humans are turned away”

The family would like to express their deep appreciation to the Firefighters and Paramedics of the Beaumont Fire Department and the medical staff of Memorial Herman Baptist Hospital for everything they did for Blake Hanson.
