### **Loving Memories of a Special Son**

Son,  
To lose someone so special  
Is really hard to bear  
It hardly seems believable  
That you're no longer there.

You left us far too early  
Before your time, it seems  
And now you'll never have the chance  
To fulfill all those dreams.

However hard it is though  
We'll take comfort in the thought  
Of all the memories we have  
And the happiness you brought.

You always lived life to the full  
But ours won't be the same  
Until the day when we can see  
Your smiling face again.
