I Am Always With You

*When I am gone, release me, let me go
You mustn't tie yourself to me with too many tears,
But be thankful we had so many good years.*

*I gave you love, and you can only guess
How much you have given me in happiness.
I thank you for the love that you have shown.*

So grieve for me a while, if grieve you must

*Then let your grief be comforted by trust
That it is only for a while that we must part,
So treasure the memories within your heart.*

I won't be far away for life goes on.

*Though you can see or touch me, I will be near
And if you listen with your heart, you'll hear*

All my love around you soft and clear

*And then, when you come this way alone,
I'll greet you with a smile and a "Welcome Home."*
