My Papaw's Blessings

By: Brittany Lynn Dalton

He's kind, wise and faithful,
he loves to make us laugh.

My heart will always hold him close,
like a cherished photograph.

I hold his hand so gently,
thinking of all the times we've shared.

He whispers softly he wants to go
and that he is not scared.

Heaven is not strange to him,
for he's waited for this day.

He's lived his life for God above
and daily he would pray.

We remember all the good times
and the lovely days we've had.

And though we know just where he'll go,
we can't help feeling sad.

My papaw left many blessings behind,
for all his family here.

We will always remember the man he was
and forever hold him dear.

In loving memory of Milton H. Smith - Our Papaw
