DADDY'S LIE GIRL

*I know you think you've failed but you haven't at all
Most of the time it's just all my fault
When you and mommy split up and I had to adjust
I gained 2 houses and you and mommy found new spouses
So here I am growing up faster and faster
And without a lot of time together you would think my childhood was a
disaster
But that's not the case at all
You have impacted my life ever since I was small
With your gentle hugs and warm smiles
And your encouragement that let me know I can go on for miles
With the love of a father
I just knew I was a lucky daughter
To have someone like you
Who will be there with me all the way through my struggles and success
But just to have you there is always the best
I LOVE YOU more than anything in the world
And I'll always be DADDY'S LIE GIRL <3*
