Dr. Christopher Moody

"I Can Only Imagine"
Jean Paul Osteen

Closing Prayer
Dr. Christopher Moody

Paul Richard Stein, 50, was surrounded by the love of his family and friends when he was called home to be with His Lord and Savior, Jesus Christ. He passed peacefully on January 2, 2019.

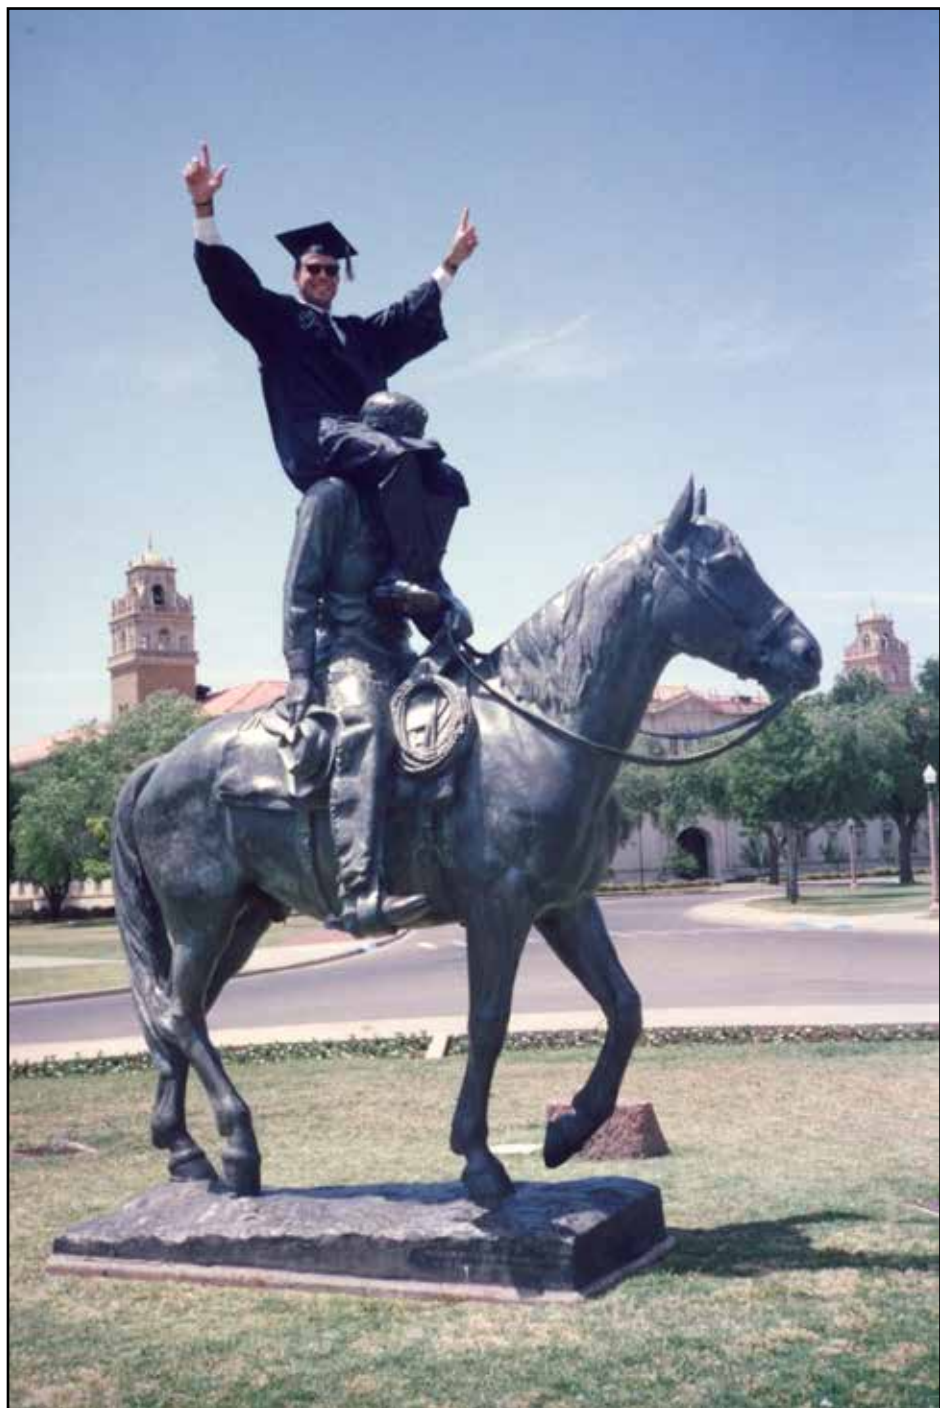

Born premature on September 14, 1968, in Cheboygan, Michigan, Paul was barely large enough to fill his father's hand. Paul quickly grew into a boy that would leave his mark on this world. He had a passion for life and experienced it to the fullest, attempting new tasks with gusto, karate, sports, waterskiing, BMX racing hunting, rock climbing. He excelled in these tasks and he excelled in life.

Paul's passion for our Lord and Savior, Jesus Christ was above all, the driving force in his life. A close second, was his love for his family: wife, Bethany; sons, Ethan-8 and Tristan-2; his mother, Tania; father, Richard; sister, Michelle; nieces, Bianca and Naomi; and nephew, Jonathon.

Paul never knew a stranger. Friends far and wide were a part of who Paul was here on earth. He was always there with a smile, words of wisdom, the shirt off of his back. Paul was a passionate, generous soul that radiated God's light in all that he did. Those that knew him, loved him deeply.

Those that truly knew Paul, knew that he always wanted to serve in ministry but also those that truly knew Paul, know that his life was just that, a ministry for the Lord Jesus Christ and in that way we believe in our hearts that this day when Paul looks into the face of our Lord, he will hear from his Creator, "Well done, good and faithful servant."
