## *When Tomorrow Starts Without Me*

*When tomorrow starts without me  
and I'm not there to see;  
If the sun should rise and find your eyes  
all filled with tears for me.*

*I wish so much you wouldn't cry  
the way you did today;  
While thinking of the many things  
We didn't get to say.*

*I know how much you love me...as much as I love you;  
and each time that you think of me,  
I know you'll miss me too.*

*But when tomorrow starts without me  
please try to understand, that an angel came and called my name  
and took me by the hand.*

*She said my place was ready in heaven far above;  
and that I'd have to leave behind,  
all those I dearly love.*

*But as I turned to walk away, a tear fell from my eye;  
For all my life, I'd always thought  
I didn't want to die.*

*But when I walked through heaven's gates  
I felt so much at home;  
When God looked down and smiled at me  
From His great golden throne.*

*He said, "This is eternity and all I've promised you;  
today your life on earth is past, but here it all starts anew."*

*"You have been so faithful, so trusting and so true;  
though at times you did do things,  
you knew you shouldn't do."*

*"But you have been forgiven and now at last you're free;  
so won't you take my hand and share my life with me?"*

*So when tomorrow starts without me,  
don't think we're far apart...  
for every time you think of me,  
I'm right here...in your heart.*
