Curtis Wayne Padgett, 78, of Beaumont, died Thursday, January 7, 2021. He was born March 09, 1942 to Cleo Combs Padgett and Chris Talley Padgett in Kerens Texas.

There he attended Keren ISD and graduated from Kerens High School in 1960. He worked construction work until 1964 and at that time

entered into a Law Enforcement career with the Texas Dept. of Public Safety. He attended the DPS academy from April of 1964 until August of 1964. Upon completion of the DPS academy he was assigned to work in the Houston area. Curtis dropped his first name and started going by Wayne Padgett to all of his friends, family, and law enforcement comrades. Wayne was called up by the selective service in 1965. February 1965 he entered into the United States Marine Corp Reserves. He attended MCRD Parris Island NC and finished up the rest of his 6 months of training at Camp Lejeune, NC. Wayne then returned to his position with DPS in Houston, TX working Driver's License and Highway Patrol duties. In Sept. 1968 Wayne became an investigator in the Narcotics Division of DPS in Houston. Wayne would work there until Sept. 1971 when he was promoted to the rank of Sergeant and transferred to the Fort Worth office as Supervisor of the DPS Narcotics division. He would remain there for 11 months. He transferred to Beaumont in August of 1972 as Supervisor of the Beaumont area DPS Narcotics unit and he would remain there until he retired in Sept. of 1995. Wayne's career spanned over 31 years with most of it in the Beaumont area. Wayne settled in and raised his family there. He worked closely with Local and Federal agencies and was very well respected in the law enforcement community around the state. After his retirement, Wayne worked part time with the US Marshalls Office in Beaumont.

Wayne became a DPS Quarter Century Club in 1989 and received numerous commendations relating to achievements in the field of narcotics enforcement. Wayne had served as a member of the Advisory Committee for the Jefferson County 100 Club and was a Member of the US Organized Crime Drug Enforcement Task Force, District Coordinating Committee. Wayne was an avid fisherman and hunter. He loved the outdoors, he loved his job, and most of all he loved his family. When Wayne was not at work you could always find him at a ball field with his sons and then his grandchildren. Wayne Padgett will be sorely missed by all that knew him.
