Miss Me, But Let Me Go

*When I come to the end of the road
And the sun has set for me,
I want no rites in gloom filled room
Why cry for a soul set free!*

*Miss me a little, but not too long,
And not with your head bowed low.
Remember the love that we once shared,
Miss me, but let me go!*

*For this is a journey that we all must take,
And each must go alone;
It's all a part of the Maker's plan
A step on the road to home.*

*When you are lonely and sick of heart
Go to the friends we know,
And bury your sorrows in doing good deeds,
Miss me, but let me go.*

If tears could build a stairway
And memoires were a lane
We would walk right up to Heaven
And bring you back again
No farewell words were spoken
No time to say goodbye
You were gone before we knew it
And only God knows why
Our heart still ache in sadness
And secret tears still flow
What it meant to lose you
No one can ever know
But now we know you want us
To mourn for you no more
To remember all the happy times
Life still has much in store
Since you'll never be forgotten
We pledge to you today
A hallowed place within our hearts
Is where you'll always stay
