“Over the Rainbow/What a Wonderful World”
Max Bowen

After a long, brave fight, **Michael “Mike” Thompson** entered into God’s hands on June 6, 2020. Today, Michael is free to once again walk in fields listening to his favorite books.

He was born on November 7, 1944, to Virginia McClean Thompson and Frank Thompson, in Houston. He attended Southmaud Elementary, Deady Junior High School, and graduated from Milby High School in 1962. Shortly thereafter moving to Austin and graduating from The University of Texas in 1967 with an engineering degree. He retired from Texaco in 1992.

He had a dry sense of humor, but had an intense loyalty to his friends, family, and caregivers. Michael’s smile could bring sunshine to any gathering. He loved hamburgers, Mexican food, and a good fresh salad. Mike loved being home and could be counted on to lend a helping hand. Michael deeply loved his wife, who was his best friend, and never failed to carry her suitcase for any trip. He offered support for any activity she was involved in throughout their long marriage. Michael even after his sudden acute injury 9 years ago, continued to be active and could be seen with Kevin working out or eating at his favorite restaurant. He will be deeply missed by his friends and family.

Survivors include his wife of forty-four years, Nancy Blum Thompson; daughter, Beneé Blanchard; son, Dr. Daniel Thompson and his wife, Lori; and daughter, Holly Christopher and her husband, Monty Christopher, all of Beaumont; and several grandchildren, nieces, and nephews.

He is preceded in death by his parents.

A special gratitude to his caregivers of eight years: Michael’s personal assistant, Kevin Gilbert and Mirtala Ambriz Herrera and a special thanks to Dr. Indupalli, Dr. Sweet, and Shane Lucas, and Dr. Kandasami Senthilkumar for always offering their time and expertise.

Chemical Plant Scholar Receives Citation in National Competition

Twenty-four sons and daughters of Shell employees and pensioners have won commendations in this year's National Merit Scholarship Competition.

Although commended students are not eligible for Merit Scholarships as such, they are in a favorable position to receive awards from other scholarship-granting agencies.

The commended students competed among nearly 600,000 students from more than 15,000 schools. The 10,000 finalists in the Competition, and the 18 Shell children among them, were announced previously; the commended scholars were the next category of winners.

THOMPSON

Michael Thompson, son of F. P. Thompson, Chemical Plant, is the local Shell son named to receive the commendation. Michael is a senior at Milby High School in Houston. He plans to enroll at the University of Texas in the fall, majoring in Architecture. During his high school career he was active in the Boys Booster Club and a member of the school's swimming team.

Other activities for Michael include membership in the DeMolay and a Junior Achievement Company. He served as both President and Treasurer of his JA group.

May 26,
2012

*The first time you kissed me,
I could swear time stopped...*

I want us to celebrate
every day -

You are the Best
thing that ever
happened for me
in my whole
life

*...but maybe it was
just my heart.*

Love you,
Nancy

“To everything there is a season,
A time for every purpose under heaven:
A time to be born, and a time to die;
A time to plant, and a time to pluck what is planted;
A time to kill, and a time to heal;
A time to break down, And a time to build up;
A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to cast away stones, and a time to gather stones;
A time to embrace, and a time to refrain from embracing;
A time to gain, and a time to lose;
A time to keep, and a time to throw away;
A time to tear, and a time to sew;
A time to keep silence, and a time to speak;
A time to love, and a time to hate;
A time of war, and a time of peace.”

- Ecclesiastes
