When I'm Gone
When I come to the end of my journey
And I travel my last weary mile,
Just forget if you can, that I ever frowned
And only remember the smile.
Forget unkind words I have spoken;
Remember some good I have done.
Forget that I ever had heartache
And remember I've had loads of fun.
Forget that I've stumbled and blundered
And sometimes fell by the way.
Remember I have fought some hard battles
And won, ere the close of the day.
Then forget to grieve for my going,
I would not have you sad for a day,
But in summer just gather some flowers
And remember the place where I lay,
And come in the shade of evening
When the sun paints the sky in the west.
Stand for a few moments beside me
And remember only my best.
