

# **John Regan Wyble**

August 27, 1998 - April 27, 2020

**John Regan Wyble**, 21, of Nederland, died Monday, April 27, 2020. He was born on August 27, 1998, in Port Arthur, to Angela Carol Dismukes Wyble and Chad Regan Wyble.

John is remembered by family and friends as an extremely kind-hearted young man with a desire to love deeply. While he did not always feel this deep love for himself, he was at his happiest when he was serving those in need. John had an innate ability to empathize with those who struggled, bringing comfort to them by

bearing their weight on his own heart. His caring soul deeply touched those around him. Although John was one of simple words, his ability to speak volumes was shown through the power of his hugs. He was a lover of animals and felt most of peace when caring for his two dogs, Champ and Duck.

Survivors include his parents; maternal grandmother, Marjorie D. Carter, of Beaumont; paternal grandparents, Donald and Helen Wyble, of Nederland; brothers, Austin Scott Wyble and his wife, Kimee, of Lewisville and Adam Richard Wyble, of Nashville, Tennessee; uncles, Mark Wyble and his wife, Buddy; Kirk Wyble and his wife, Leslie; Rick Wyble and his wife, Danna; Richard Dismukes and his wife, Betty; James Dismukes and his wife, Rhonda; and Daniel Dismukes; aunt, Rebecca Seaux and her husband, Michael; and numerous extended cousins and family.

He is preceded in death by his grandfather, Richard Fuller Dismukes and step-grandfather, Gus Rybak.
