*I Shine in the Light  
of God*

*I SHINE in the Light of God;  
His likeness stamps my brow;  
Through the valley of death my feet have trod,  
And I reign in Glory now.*

*No breaking heart is here  
No keen and thrilling pain;  
No wasted cheeks where the frequent tear  
Hath rolled and left its stain.*

*O friends of mortal years,  
The trusted and the true,  
Ye are watching still in the valley of tears,  
But I wait to welcome you.*

*Do I forget? O no!  
For memory's golden chain  
Shall bind my heart to the hearts below  
Till they meet to touch again.*

*Each link is strong and bright,  
And love's electric flame  
Flows freely down, like a river of light,  
To the world from whence I came.*

*Then why should your tears run down,  
And your hearts be sorely riven,  
For another gem in the Saviour's crown,  
And another soul in Heaven?*
