***“Miss You”***  
**by Travis Matte**

I stopped by your grave today I hope you heard every word I said.  
I said I miss you and the times we shared.  
I miss your silly smile.  
Oh I really wish you were here.  
It seems like yesterday, oh but it's been awhile.  
Oh how I miss you now.  
Sometimes when I lie awake at night I think of you as our angel,  
a shining light.  
I look at the sky above and say that it isn't right,  
you're our shining star we feel you shining down tonight.  
I said we'll meet again  
oh, but it will be a while  
oh, how I miss you now.  
When that time comes, and we meet on the other side we'll be  
smiling then.  
We'll forget all the tears we cried.  
We keep asking why, oh but nobody knows  
they say it was your time and I guess that's the way it goes.  
If you're looking down tonight, I hope that we made you smile!  
Oh how I miss you now.  
It doesn't seem right and it doesn't seem fair.  
I often feel like it had a bad end, yeah.  
I've seen a lot through your heart for reasons we don't know.  
All I wanna know is how to let you go,  
oh, how I miss you now.
