

Dennis Theall

August 27, 1954 - November 5, 2021

John “Dennis” Theall, 67, died peacefully on November 5, 2021, at his residence in Lumberton, Texas.

Dennis was born on August 27, 1954, at Baptist Hospital in Beaumont, Texas, to Joseph Dalton Theall and Anna Jean Baldwin Theall. He graduated from Lamar University with a Bachelor Degree in Chemical Engineering in 1976 and worked and retired as a chemical engineer from Exxon Mobil.

Dennis was a devoted dad and granddad. He enjoyed Sunday lunches and visits with his mother and family. He loved spending time with his grandchildren and great-grandchildren. He loved spending time and spoiling his dog, Casey.

Fishing Fridays, dove hunting, family trips, weekend getaways, and family cruising added joys to his life.

He loved playing golf, baseball, traveling, and scuba diving. He was up for good food, family, and lots of laughs.

On September 13, 1975, and March 28, 1978, respectively he welcomed his two beautiful daughters, who then brought grandsons and great-grandsons in his life. He was an awesome friend to many.
