*“What A Day That Will Be”*

*What a day that will be  
When my Jesus I shall see  
And I look upon His face  
The one who saved me by His grace  
When He takes me by the hand  
And leads me through the Promised Land  
What a day, glorious day that will be  
There'll be no sorrows there  
No more burdens to bear  
No more sickness and no more pain  
No more parting over there  
But eternally I will be  
With the one who died for me  
What a day, glorious day that will be  
What a day that will be  
When my Jesus I shall see  
When I look upon His face  
The one who saved me by His grace  
When He takes me by the hand  
And leads me through the Promised Land  
What a day, glorious day that will be*
