Your *Mother* is always with you.  
She's the whisper of the leaves as you walk  
down the street. She's the smell of certain foods  
you remember, flowers you pick, the fragrance of life  
itself. She's the cool hand on your brow when you're  
not feeling well. She's your breath in the air on a cold winter's  
day. She is the sound of the rain that lulls you to sleep, the  
colors of a rainbow; she is Christmas morning. Your Mother  
lives inside your laughter. She's the place you came from,  
your first home, and she's the map you follow with every  
step you take. She's your first love, your first friend, even  
your first enemy, but nothing on earth can separate you.  
Not time, not space... not even death.
