Danny Paul Gladden was born August 30, 1974, in Port Arthur, Texas, and was Baptized in Christ on September 24, 1979. He left his Houston home in our world for his eternal home with the Lord on April 22, 2022. Danny grew up in Beaumont and maintained close friendships over the years with his high school friends and church family, who remember him fondly as a generous friend who shared their troubles and encouraged their success.

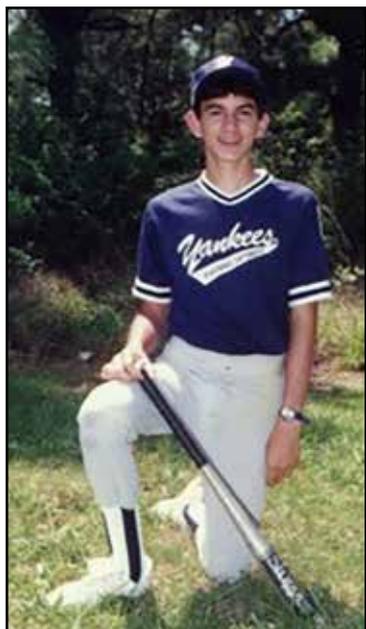

Danny was not as quick to share his own needs and personal struggles with others, but whether he asked for help or not, Danny was always lifted up through the years by the prayers of those who loved him.

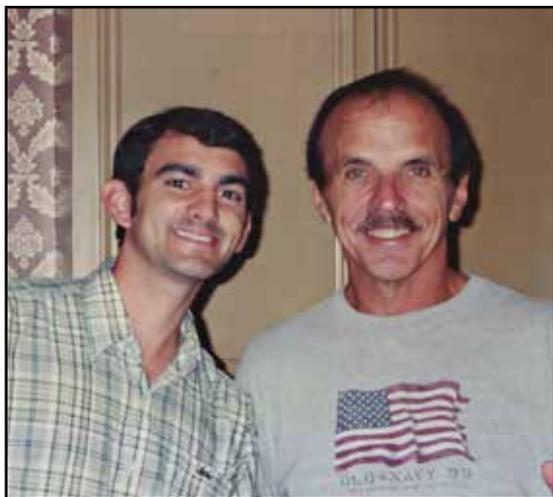

Danny is survived by his parents, Angela and Ray Baker of Beaumont, Texas, and Dale and Debbie Gladden of Slidell, Louisiana; his girlfriend, Stephanie Stage of Rosenberg, Texas; his son, Tyler Gladden of Des Moines, Iowa; his daughter, Allison Gladden of Center Point, Iowa and her boyfriend, Todd James. Family also includes a brother, Derek Gladden of Slidell, Louisiana; a stepsister, Shea Cheek of Abilene, Texas; his Godfather, Ray LeBlanc, Sr. of Wildwood, Texas; and his Godmother, Susan Trevino of Nederland, Texas. Danny was blessed with many aunts, uncles, cousins and dear friends, and he treasured their support.

Danny knew how to love BIG! He never held a grudge or judged others, and at his best, he was a constant motivator of others toward the goodness of life. He had learned firsthand the truth that if you trust God and lean on God's wisdom, then you will be led daily toward the abundance that God has for us. Danny's communications with his friends and parents during the final days of his time here with them demonstrated clearly the peace his soul had come to and the abundance he felt in the love of those in his life.

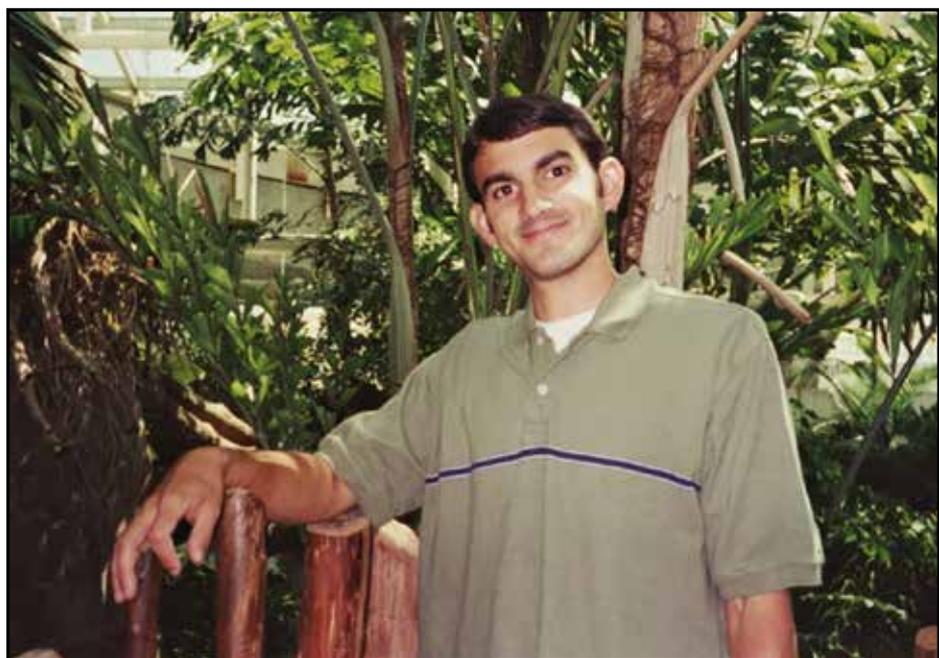

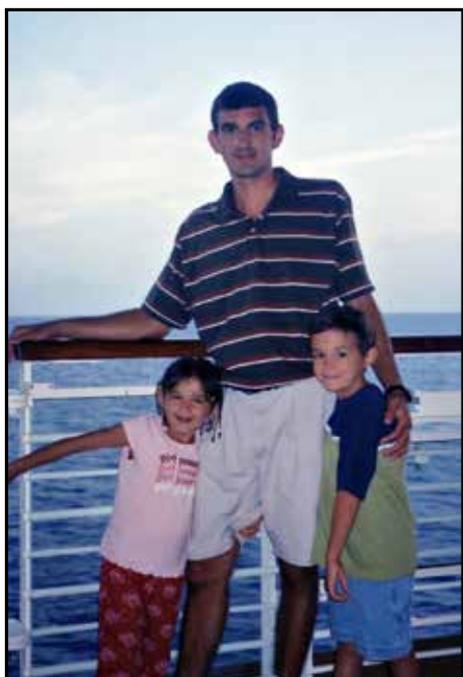

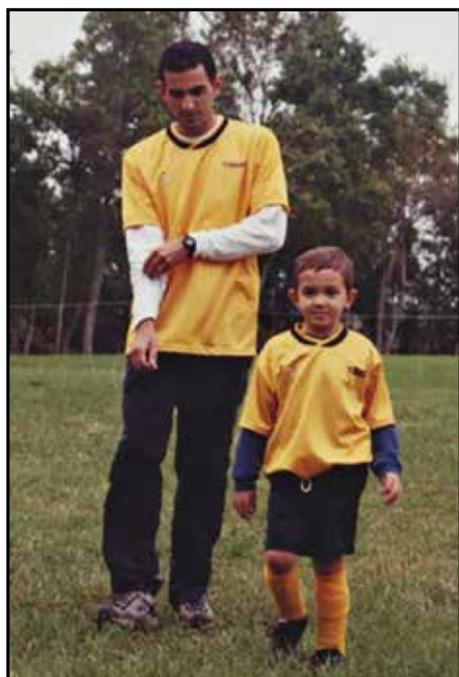

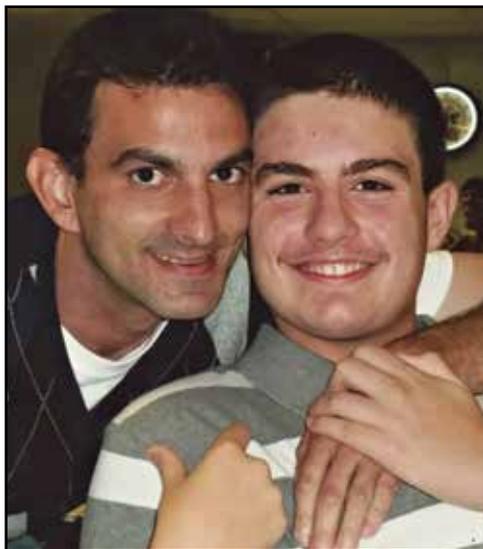

“I tell you the truth, whoever hears my word and believes him who sent me has eternal life and will not be condemned, he has crossed over from death into life.”

John 5:24

The Consolation of Eternal Life

A great many people believe that our eternal life will begin at the time of our death. In reality, our eternal life with God began on the day of our Baptism, the day we became children of God. As adopted members of God's family, we became heirs of Heaven; as our heritage, God shares His very life with us. Life that is eternal, life that transcends all time and space.

When we reflect on this great truth, we can come to realize that those we love who have gone before us, marked with the sign of faith, have not been separated from us. They are really much closer to us because they now live in the fullness of God's love, a love that embraces each one of us, whether here on earth or in the heavenly kingdom. It is in this divine love that we are truly united, not only to God, but to each other.

At a time of mourning, we often feel that we are distant from those we love. Actually, they are united with us now more than ever before. No more do they know the restraints of the human condition. Now they are able to love us with a deeper love, a fuller love, a love that is enriched by God's own love. NO, death does not separate us from those we love. It deepens our union with God and with each other.

If You Could See Me Now!!

*If you could see me now,
I'm walking streets of gold.*

*If you could see me now,
I'm standing tall and whole.*

*If you could see me now,
You'd know I've seen His Face!*

*If you could see me now,
You'd know the pain's erased.*

*You wouldn't want me to ever
leave this place...*

If you could only see me now!

*Those who live in the lord
never see each other for the
last time.*

*Death leaves a pain no one
can heal; but the memories
leave a love no one can steal.*
