### *I'm Free*

*Don't Grieve for me, for now I'm Free  
I'm following the path God laid for me.  
I took his hand when I heard Him call;  
I turned my back and left it all.  
I could not stay another day,  
to laugh, to love, to work and play.  
Tasks left undone must stay that way;  
I found that place at the close of day.  
If my parting has left a void,  
then fill it with remembered joy.  
A friendship shared a laugh, a kiss;  
Ah yes, these things, I too will miss.  
Be not burdened with times of sorrow  
I wish you the sunshine of tomorrow.  
My life's been full, I savoured much;  
good friends, good time, a loved one's touch.  
Perhaps my time seems all too brief;  
don't lengthen it now with undue grief.  
Lift up your heart and share with me,  
God wanted me now, He set me free.*
