“Bennie and the Jets”
by Elton John

William Mitchell Patrick Homann, age 74, of Beaumont boarded his fighter jet to Heaven on Wednesday, June 30, 2022. Bill left us peacefully in the comfort of his home with family by his side. He was born in St. Louis on July 28, 1947.

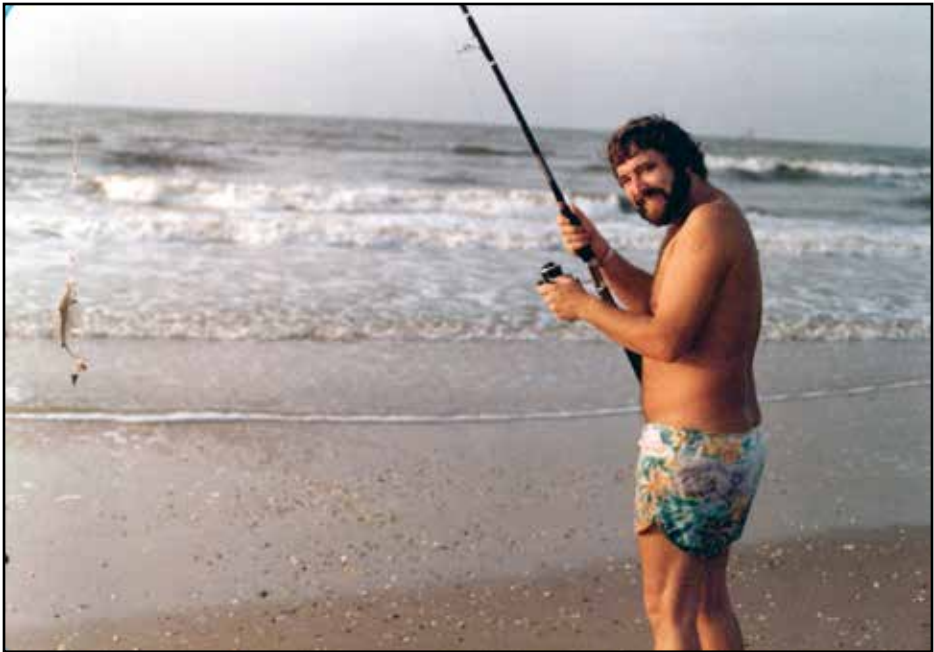

Bill enlisted in the Air Force at the age of 19 as an airplane mechanic. He served in the 456th Organizational Maintenance Squadron refueling aircrafts during the Vietnam War. During this time, he also served as a Crew Chief on a KC-135.

After serving in the military, he received a Bachelor of Science in Engineering Technology, Bachelor of Science in Mechanical Engineering and associate degree in Aeronautical Technology from Oklahoma State University. Upon graduating Bill relocated to Beaumont, Texas and began his passionate career in Engineering with General Electric Company.

He was a devoted father and husband who encouraged strength and independence. Bill was a wizard at mathematical equations and solving problems. This led to the stout belief that anything can be repaired or fixed if one has the right tools. His hobbies included racquetball, tinkering with car engines, aircraft movies with Top Gun being a favorite, classic car and aircraft shows, astronomy, camping, Boy Scouts (Troup 85 Leader), repairing motorized vehicles, and mainly refurbishing anything with a failed engine or part. Bill loved listening to the Beach Boys albums and “Oldies but Goodies.”

Bill preferred to be addressed as, “Mr. Bill,” but easily accepted it being replaced as “Pops” by his grandchildren. Common sayings at the Homann house included “Give Em Hell,” “Stand by,” “It’s acceptable,” “Affirmative,” and his favorite “Stand down.” He will be remembered for his dedication and passion for his profession. He set an example to his children and young engineers on the true meaning of work ethic, dedication, and he believed in working hard to achieve goals and objectives.

Bill is survived by his wife Donna, and three children; Joshua Homann and wife Lauren of Austin, Lindsay Coleman and husband Randy of Beaumont, Julie Watkins and husband Carl of Sarasota, Florida; and four grandchildren, Claire and Bishop Coleman, Patrick and Pierce Watkins. In addition, Bill is survived by his sister Diana Kane and her husband Tom of Winchester, Missouri and his brother Tim Homann and wife Jin of St. Louis, Missouri. He will be missed by his in-laws, numerous nieces and nephews and his grand dogs. Bill is preceded in death by his parents, William A. and Hilda Homann.
