Sending Forth

Recessional
"You Raise Me Up"
by Josh Groban

Susan A. Neil, 67, of Orange, received her ultimate healing and her new glorified body on October 19, 2022. Susan now resides in Heaven with her Lord Jesus and her family that preceded her. Susan fought stage 4 cancer for over five years with stubbornness and a hopeful spirit that she might get better.

Susan was born June 9, 1955, in Beaumont, Texas, to Thomas Mardez Abercrombie and Laura Alice Victory Abercrombie. She was the oldest and first girl in the family. Susan was educated in the Lumberton School

District where she attended all 12 years, graduating in 1973. She then attended LIT to obtain an associate degree in Drafting. She was employed by Richard Design Services in Nederland. She had dreams of getting well enough to continue working.

She led a full and fruitful life, enjoying many things and “never knew when to quit”. Her true love were horses and the other menagerie of farm animals, cats, and dogs who she treated as special as a child. It was not unusual to find Susan getting ready for horseback riding, team penning, or fence building in the afternoons and over the weekends. There was nothing on four legs that she did not love.

Susan poured her life and finances into family and friends. She was never selfish with anything and would be quietly providing food, clothes, houses, and cars. If Susan knew of a need, she just took care of it. Her love for others was tangible to everyone who knew her. She just stood in the background saying nothing about “the needs before her”, just seeing where she could help out and then did something about it in her quiet way.

Susan was an active member of First United Methodist Church, Beaumont, where she faithfully served and immersed herself in whatever needed to be done. Susan served on the Church Board of Trustees, worked with Kairos Kitchen Ministry feeding the homeless and was a tireless worker in building and providing beds for children. Her finances worked in this endeavor as she even provided coverings for the beds.

Susan is survived by one sister, Laurie Thomas and her husband, Wayne; and one brother, Marty Abercrombie and his wife, Jana, all of Lumberton; one niece, Tara Thomas Triana and her husband, Wayne, of Nacogdoches; nephews, Shane Thomas and his wife, Ashley; Chance Abercrombie and his wife, Ashlee; and Wade Abercrombie and his wife, Nicole, all of Lumberton; great-nieces, Kaylee, Leah, and Mylah; and great-nephews, Aubyn, Thomas, and Parks. She is also survived by special friend, Jayme Kugler; her “boys”, Buster, C.J., and Rickie; and numerous cousins, co-workers, and friends.

She is preceded in death by her parents; beloved dog, Spot; and beloved horse, Dakota.

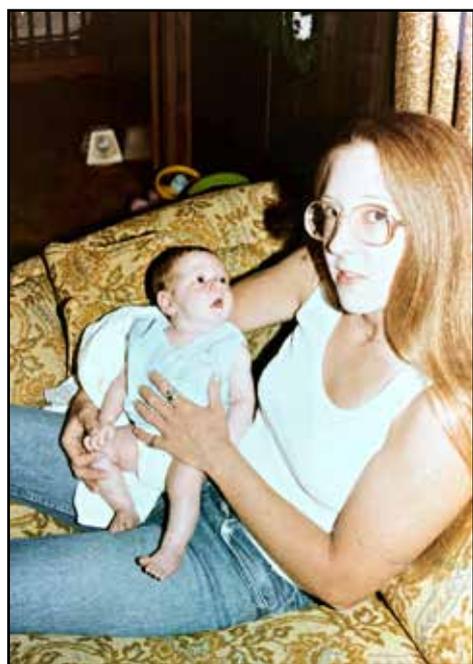

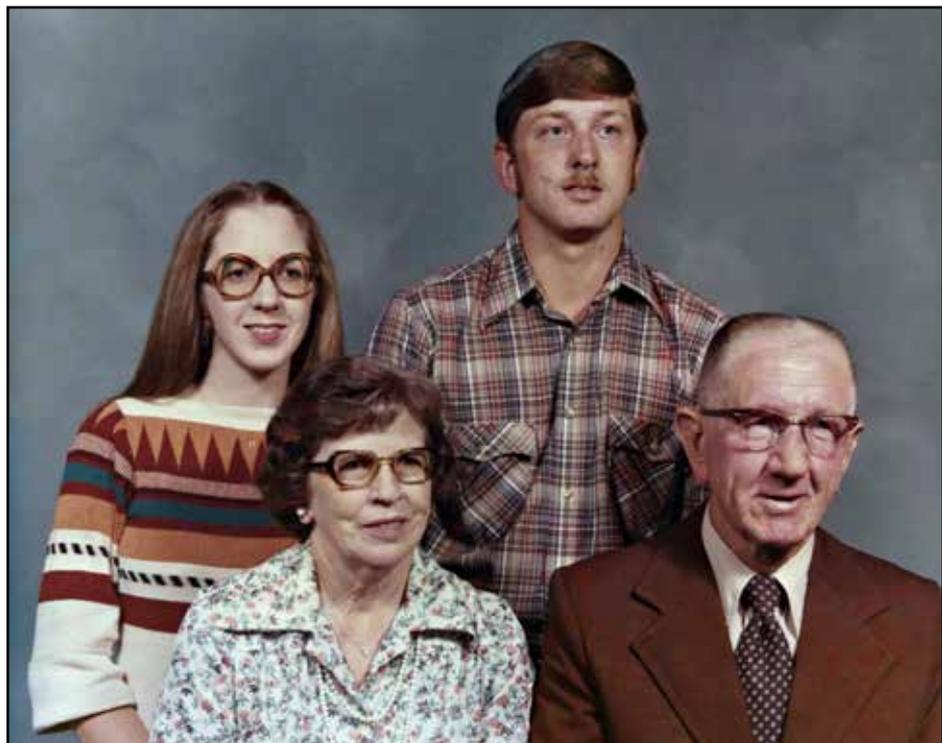

*In life we loved you dearly,
In death we love you still.
In our hearts you hold a place,
No one else will ever fill.
It broke our hearts to lose you,
But you didn't go alone.
Part of us went with you,
The day God took you home.*
