*A wife, a mother, a grandma too,
This is the legacy we have from you
You taught us love and how to fight
You gave us strength; you gave us might.
A stronger person would be hard to find,
And in your heart, you were always kind.
You fought for us all in one way or another
Not just as a wife not just as a mother.
For all of us you gave your best
And now the time has come for you to rest.
So go in peace, you've earned your sleep,
Your love in our hearts we'll eternally keep.*
