Shirley was a member of the Red Hats Society for many years. She also was a member of the Kiwanis Club of Jefferson County. Her favorite activity was serving as a hospital volunteer, a “Blue Angel,” at The Medical Center of Southeast Texas. She served as the president for quite a few years. She served in different capacities and loved the group of volunteers. She loved helping and serving others.

Shirley loved travel and was always ready for a new adventure. She traveled with family and friends—from across the United States to Europe and back again.

She was a “lunch lady” and then a food service manager for over 30 years with the Nederland Independent School District. She was a great cook. Her family had their favorites.
