*Keith Joseph Hassage*, 70, of Beaumont, died Sunday, June 11, 2023, at Harbor Hospice, Beaumont. He was born December 29, 1952, in Port Neches, to Gladys Cornelia Bobo and Joseph Hassage.

When you were with Keith, whether you knew him as Keith, Dawg, Pup, or Grumpy, you always knew you were in for a good time or a good story, or more often than not, both. Keith loved to spend time with friends

and family while in pursuit of those things that brought him joy. Everyone who knew Keith, can remember a time when they were either hunting, fishing, cooking, golfing, riding, or floating down the Frio River with him and the fun they had. Keith's greatest true joy in his life was getting to watch all of his loved ones, be they friends or family, gathering for a well-cooked meal and having a good time.

Keith dedicated forty-two years of his life to working in the offshore construction industry where he made lifelong friends and accomplished many great feats. He sailed across the equator on many occasions and was a guest at Neptune's Court and inducted into the Orders and Mysteries of the Deep and recognized as a shell back. In the course of Keith's career with Allseas he led the team that was the first to lay a pipeline north of the Arctic Circle and was on the teams that were the first to lay pipe over a mile deep on the ocean floor, as well as being the first to use dynamic positioning on a pipelay vessel for the purpose of laying pipe.

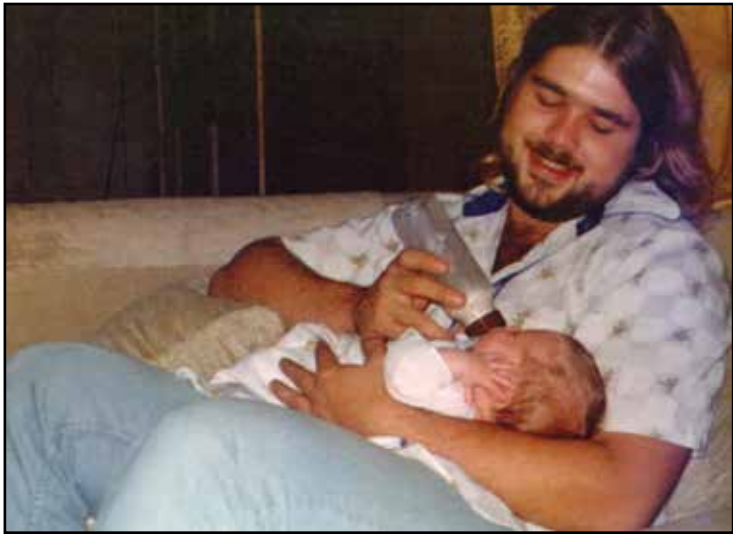

Keith traveled and worked all over the world and at the time of his passing he had worked on every inhabited continent on the planet as well as having worked on every ocean. He is deeply missed by his offshore family. Keith was a great mentor, and leader, to many in his industry and will be remembered as much for achievements as he will be for his good nature, integrity, and dedication that he always traveled with.

Keith had an encyclopedic knowledge, quick wit, sharp tongue, with a loving heart, generous and giving spirit, to go along with a penchant for mischief that spared no one, and he will be missed by everyone that knew and loved him.

Keith is survived by his fiancé, Susan Gibbs of Beaumont; daughter, Bethany Rios and her husband, Danny Rios, of Santee, California; Grandson, Isaac Skinner; granddaughter, Stella Rios; sister, Bobbie Akin; brother-in-law, John Akin; Stepson, Matthew Gibbs and his wife, Erica Gibbs, of Westlake, Louisiana; grandsons, Jaydon Gibbs and wife, Jade; and Grayson Gibbs; granddaughter, Olivia Gibbs, all of Westlake, Louisiana; stepson, Kyle Gibbs of Beaumont; and fur babies, Patches and Poppy.

He is preceded in death by his mother, Gladys Bobo Hassage; father, Joseph Hassage; brother, Rodney Hassage; and fur babies, Gracie and Beaux-dog.
