Benediction

**Margarito “Rito” Medrano**, 31, of Beaumont, died Sunday, September 17, 2023. He was born on November 5, 1991, in Houston, and raised by Reyna Martinez and Felipe Martinez.

Rito was a modern shopaholic who loved to dress well and was always ready to impress with the latest and greatest in fashion. He was super kind to everyone he met especially to those he loved and would go out of his way to help others. Rito was only ever a phone call away. He was a hard worker who was dedicated

and respected for his drive to be successful as both a pipefitter and construction worker.

He will be deeply missed for his impact on all those around him, and his memory will live on in the hearts of all who knew him.

Survivors include his parents, Felipe Martinez and Reyna Martinez and numerous aunts, uncles, cousins, friends, and loved ones through the years.

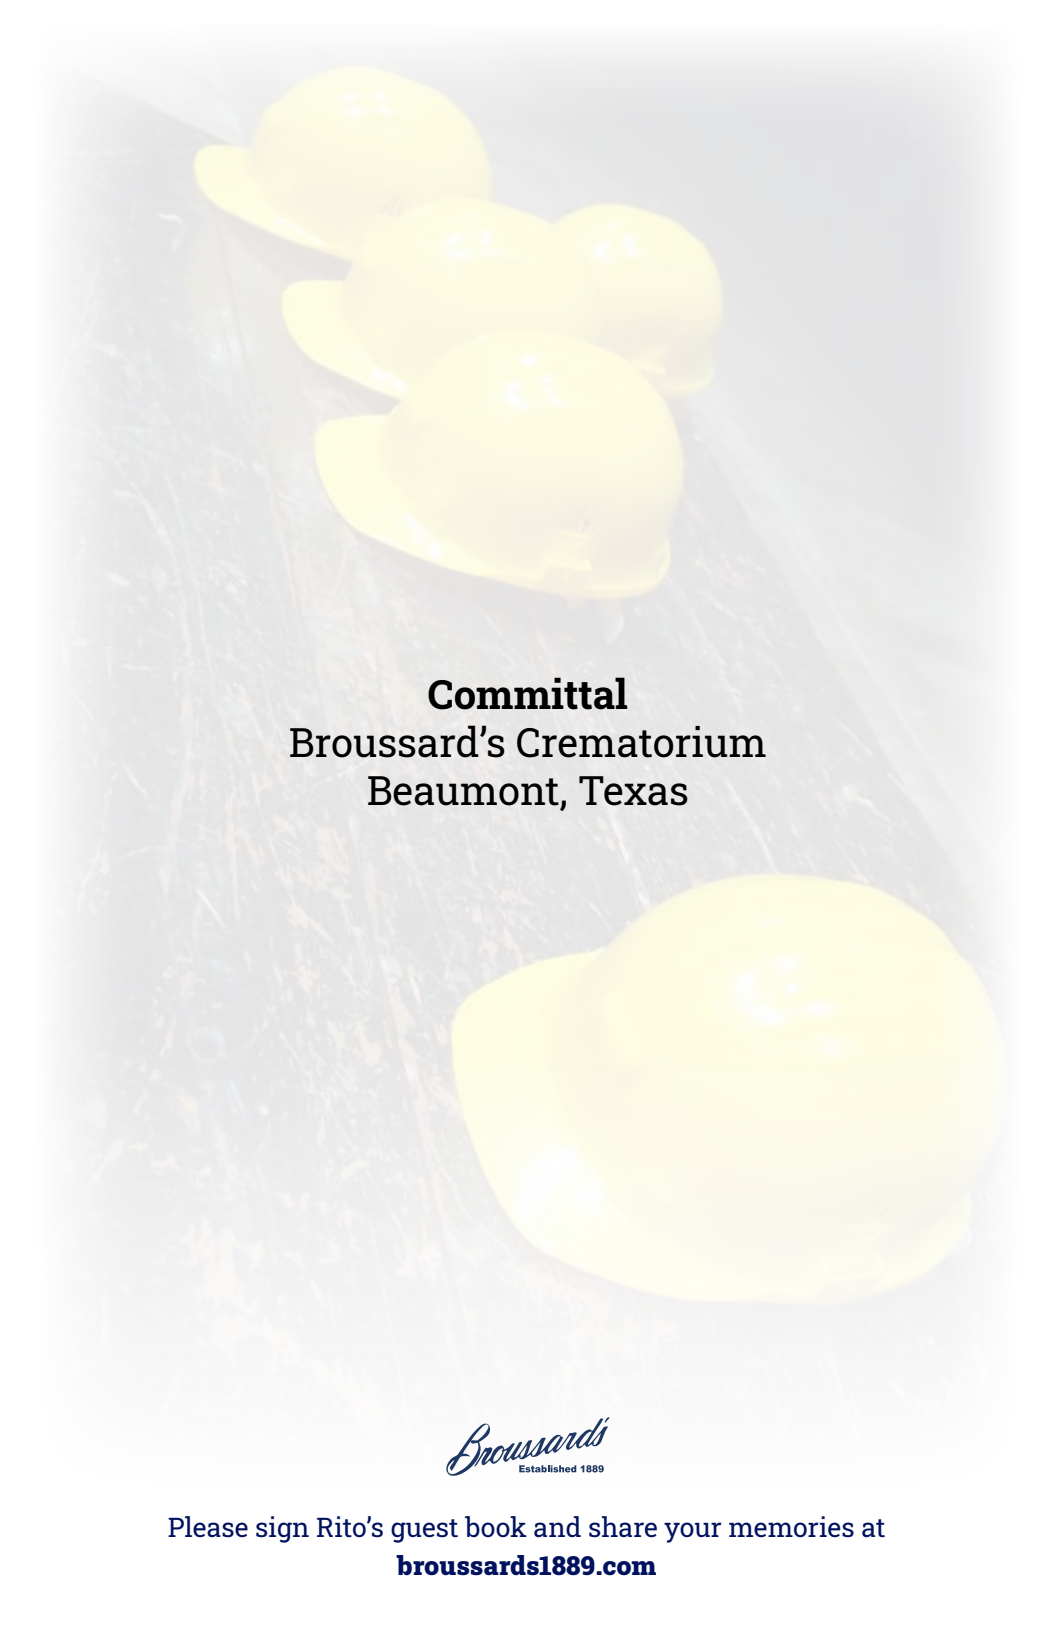

**John 5: 28-29**

**Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment.**

The background of the entire page is a photograph of four yellow hard hats resting on a dark, scratched wooden surface. The hats are arranged in a loose cluster, with one hat in the foreground being significantly larger and more prominent than the three others behind it. The lighting is soft, highlighting the smooth, reflective texture of the hard hats.
