Julia Iona Goines Winger, 70, was called home to be with her Lord on January 8, 2024. Julia was born July 21, 1953, to Oscar Goines and Alice Imogene Comte Goines in Fort Riley, Kansas, while Oscar was stationed there during the Korean War. The family moved to Lufkin after Oscar was discharged from the Army. After a few years in Lufkin, then Bryan-College Station, Julia moved with her family to Beaumont, Texas, where she lived the remainder of her life. She

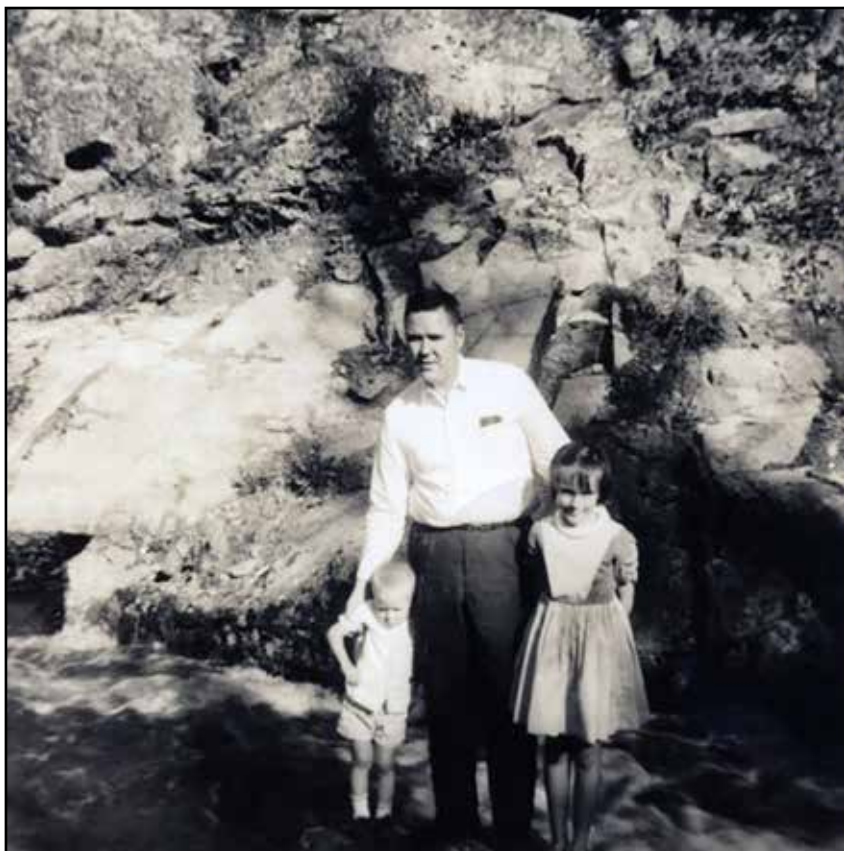

attended school at Pietzsch Elementary, McArthur Junior High, and graduated from South Park High School in 1971. She attended SFA University for a brief time before returning home to Beaumont. She married Thomas Winger in 1976. Their marriage brought a lovely baby girl into the world in 1988 named Regina. Julia was sweet soul who loved the Lord, her family and others that entered her life. She loved music and learned to play the piano. Julia also had a lovely voice, singing in the school and church choirs. Julia became a born-again Christian at South Park Baptist Church in her youth and hoped that everyone around her could see that aspect of her life. She was fierce in fighting Parkinson's disease which attacked her body many years ago. She woke up every day with the intention of living the life God had given her. Her hope would be that everyone would join her in heaven one day.

She later attended Wesley United Methodist Church before her decline in health all but prevented her attendance.

She is preceded in death by her husband, Thomas Winger; her parents, Oscar and Imogene Goines; and her husband's parents, Melvin and Mignon Winger.

Survivors include her daughter, Regina Winger; brother, Lyle Goines and his wife, Tammy, of Beaumont; nephew, Micah Goines of Columbus, Mississippi; niece, Hannah Goines Baldwin and her husband, Ben, of Beaumont; and one great-nephew, Tyler Baldwin.

The family would like to thank her Pelican Bay Assisted Living Family for their amazing help over the last 5 years. They also want to thank the nurses and staff at College Street Health Care Center for their care and patience over the last 4 months.
