

# ***Steve Buser***

May 2, 1950 - February 20, 2024

**Stephen “Steve” Vincent Buser**, loving and devoted husband to Linda neé Haydel for forty-seven perfect years took his final breaths on earth surrounded by love on Tuesday, February 20, 2024. Steve, born May 2, 1950, in Kansas City, Missouri, was one of seven children born to Charles and Sylvia Buser. He was an amazing father to daughter, Vicky Buser Creasy (husband, Aaron) and sons, Shawn Buser (wife, Sarah) and Charles Buser (wife, Hannah).

Steve was the best PawPaw in the world to Sullivan, Sophie, and Sylvia (Creasy); Slade, Sloan, Selah, Steel, Clark, and Thayer Buser. Each of his grandchildren had a special relationship with him and will remember him in different ways. However, each know the power of seeing their seventy-two-year-old PawPaw do a backflip just last year off the diving board.

Steve has always been a strong brother, playing basketball and spades with his siblings; Sue Buser, Karen Thompson, Hank Buser, and Gary Buser. He is preceded in death by his brother, Ted Buser and sister, Judi Gillen. He has over fifty nieces and nephews.

Steve was a proud alumnus of LSU in Baton Rouge (geaux Tigers!). He worked in Journalism as a Managing Editor for a local newspaper before becoming the Mayor’s Assistant for the city of Slidell, Louisiana. He moved to Beaumont, Texas in 1987 to work for Gulf States (later Entergy) and became a strong member of the local community. He volunteered with Toastmasters, Toys for Tots, local food banks, and the Red Cross, always having a servant’s heart.

He later became the CEO of Partnership of Southeast Texas and helped to revive the economic community in the Golden Triangle. Steve helped bring in many large corporations during his career.

He also led Leadership of Southeast Texas to help develop many local leaders.

Steve had many hobbies, but his biggest passion was taking pictures of his family. He left many memories through this gift. His love for his family will be remembered forever as he sacrificed daily to make sure his family always felt his love. While he had three children of his own, many children around the country claim that he was their “dad” too. He coached little league teams and was eager to mentor anyone that came into his home. He was a long-time member of North End Baptist Church in Beaumont. As his ultimate sacrifice, his family has donated his brain to research so that further studies for the cure of Alzheimer’s and Lewy Body can take place.

We love you daddy and are happy that “Daddy is finally home”.

**Psalm 26:1-3 KJV**

*Judge me, O Lord; for I have walked in mine integrity: I have trusted also in the Lord; therefore I shall not slide. Examine me, O Lord, and prove me; try my reins and my heart. For thy lovingkindness is before mine eyes: and I have walked in thy truth.*

## Do Not Ask Me to Remember

*Do not ask me to remember,  
Don't try to make me understand,  
Let me rest and know you're with me,  
Kiss my cheek and hold my hand.  
I'm confused beyond your concept  
I am sad and sick and lost.  
All I know is that I need you  
To be with me at all cost.  
Do not lose your patience with me,  
Do not scold or curse or cry.  
I can't help the way I'm acting,  
Can't be different though I try.  
Just remember that I need you,  
That the best of me is gone,  
Please don't fail to stand beside me,  
Love me 'til my life is done.*
