Linda White Ferguson, 69 of Beaumont, died Monday, May 20, 2024. She was born on September 20, 1954, in Dallas to Myrtle Joyce McHome and Grover Bennie White.

Her childhood was very fulfilled as she was the middle child of three sisters and two brothers. They enjoyed the simple farm life and shared many memories together.

She attended Grady Spruce High School, in Dallas, and later became a registered dental assistant. After mastering the art of dental assisting, she furthered her career to office management, in the dental field, where she retired in 1997.

Linda enjoyed spending time on her front porch, gazing at nature and animals, while spending time with her family whom she loved tremendously. This was truly her favorite pastime. When she was around a group of people or when she would enter a room, it would radiate with her presence. She was a whirlwind, a firecracker, a great storyteller, a force to be reckoned with, and a beautiful wildflower, but most of all she was a wonderful wife, loving mother, the best grandmother and great grandmother and her memory will be forever cherished in our hearts.

She is preceded in death with her parents Joyce and Grover White, and also her brother Mac White.

Survivors include her husband, Charles R. Ferguson; daughters Jennifer L. Doiron of Beaumont, and Jamie N. Doyle of Beaumont; grandchildren; Zakkary Ferris, Gabriel Doiron, Elijah Doiron, Brittany Puente, Tre Puente, and Xavier Puente; and great-grandchildren, Danni Ferris, Issac Doiron, Lila Puente, LeeAnn Puente, and Estephanie Puente.
