Robert "Bob" Milton Lyle, 86, of Silsbee, died on Sunday, September 1, 2024. He was born on May 31, 1938, in Birmingham, Alabama, to Eloise Addington Lyle and Lewis Paul Lyle, Sr.

Bob served in the United States Marine Corps Reserve as an Aviation Mechanic from 1955-1958. Immediately upon receiving an honorable discharge from the Marine Corps Reserve, he enlisted in the United States Navy where

he traveled the world aboard the USS William R. Rush and the USS Yellowstone until his honorable discharge in 1962. Bob also served in the United States Navy Reserve from 1978-1983. He was very proud to have served his country, and continued to serve by participating in various Veterans Organizations such as Veterans of Foreign Wars, American Legion, American Legion Riders, and the Southeast Texas Veterans Service Group.

During his time in the U.S. Navy, Bob's ship was docked at the Boston Navy Yard for repairs when he met the love of his life, Amy, at a roller skating rink. They were married on March 26, 1960, and the Lord blessed them with 64 years together.

After his military service, Bob worked for North American Rockwell Corporation at The Kennedy Space Center in Merritt Island, Florida. There he worked as a Senior Mechanical Technician for the Apollo Space Program from 1965-1973. From 1974-1978, Bob worked as a Senior Nuclear Construction Inspector for Stone and Webster Engineering Company. During his time with Stone and Webster, he worked on various nuclear power station projects in Pennsylvania, Connecticut, and New York. In 1978, Bob moved his family to Texas where he worked as a Senior Engineering Analyst for Gulf States Utilities Co. (GSU) until his retirement in 1994. After retiring from GSU, Bob worked various contract assignments with power stations and chemical plants until 2006.

Bob loved his family and being Pop-Pop to his grandchildren and great-grandchildren and looked forward to having everyone together for holidays and special occasions. He enjoyed riding motorcycle; traveling the country to experience the best riding spots. Bob was a long-time member and deacon at Pinecrest Baptist Church in Silsbee, Texas. He loved the Lord, his Pastor, and his church family deeply and was always willing to lend a helping hand to anyone who was in need.
