Renee was born and raised in Sour Lake, Texas, where she raised three boys. She attended Hardin Jefferson and lived in Sour Lake where she touched many lives as a respected member of the community. She will be missed dearly by her siblings and family she leaves behind. We are all thankful that she went to see her Lord and saviour Jesus Christ peacefully and without struggle. She was always there for a long chat with her larger than life personality. Her happiest times were with her family, friends and her dogs. She loved cooking for everyone and made the best chicken and dumplings. The love story she shared with her husband Bruce was one that will be remembered for generations to come.
